“Learning the past to preserve the future”
Why did you or your group want to participate in a Building Bridge Presentation from the Hmong Cultural Center?

Majority of the participants stated that they want to be culturally sensitive educators and better-served Hmong students and their family. Some participants stated that it was a class requirement.
Please pick the category that best describes your profession (Please choose one category only).

Most participants are teachers, high school and college students. One participant inserted that he is a writer.
How would you rate your satisfaction with the presentation that was provided in terms of educational value? (Please choose one answer only).
