“Learning the past to preserve the future.”

1. Why did you or your group want to participate in a Building Bridge Presentation from the Hmong Cultural Center?

N=86, some respondents answered to more than one answer.

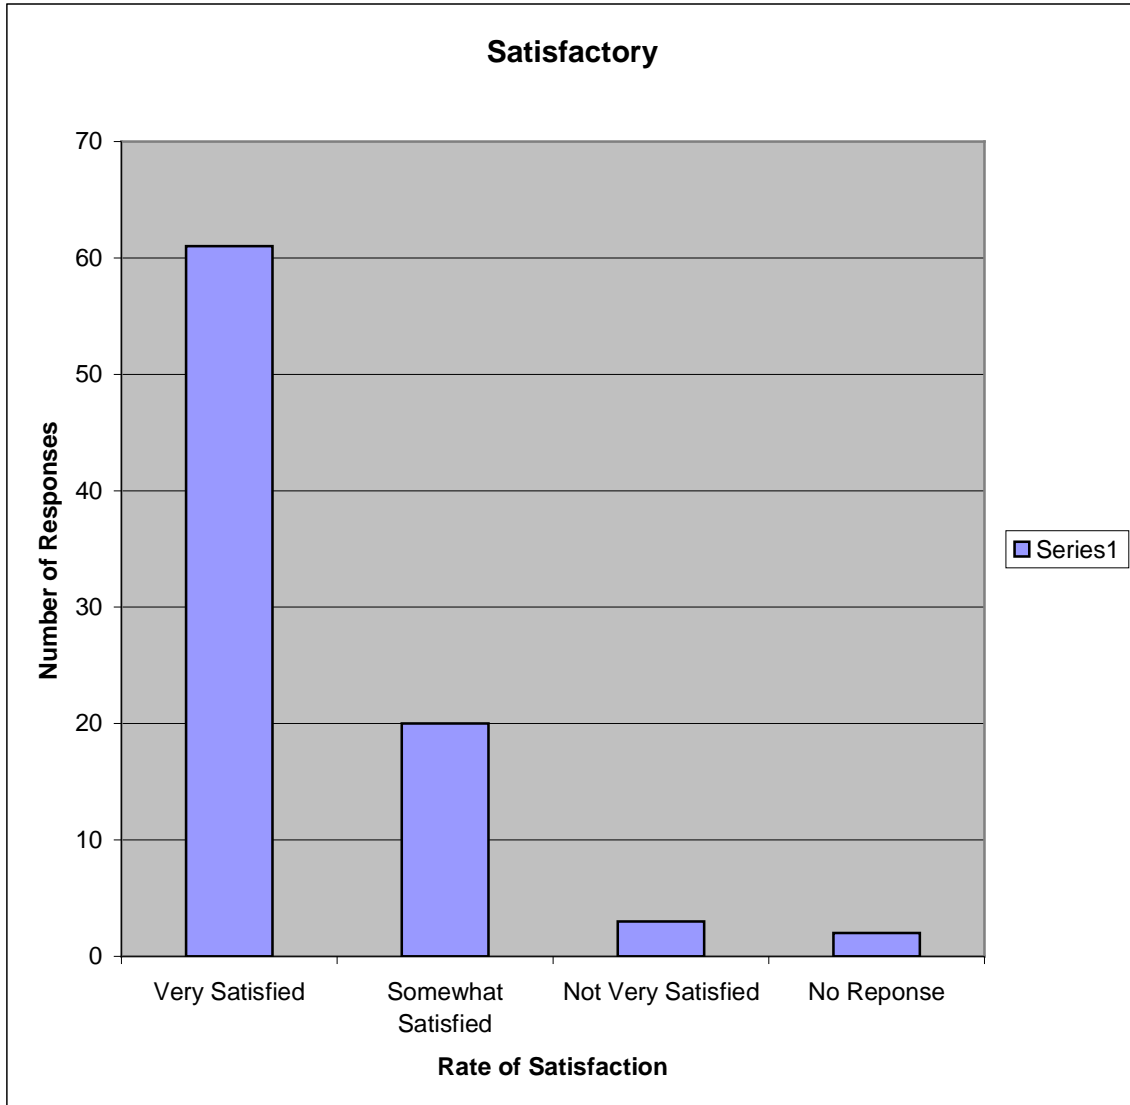

Some participants noted that it was for class requirement, and to better serve Hmong Students in the school.

2. Please pick the category that the best describes your profession (Please choose one category only).

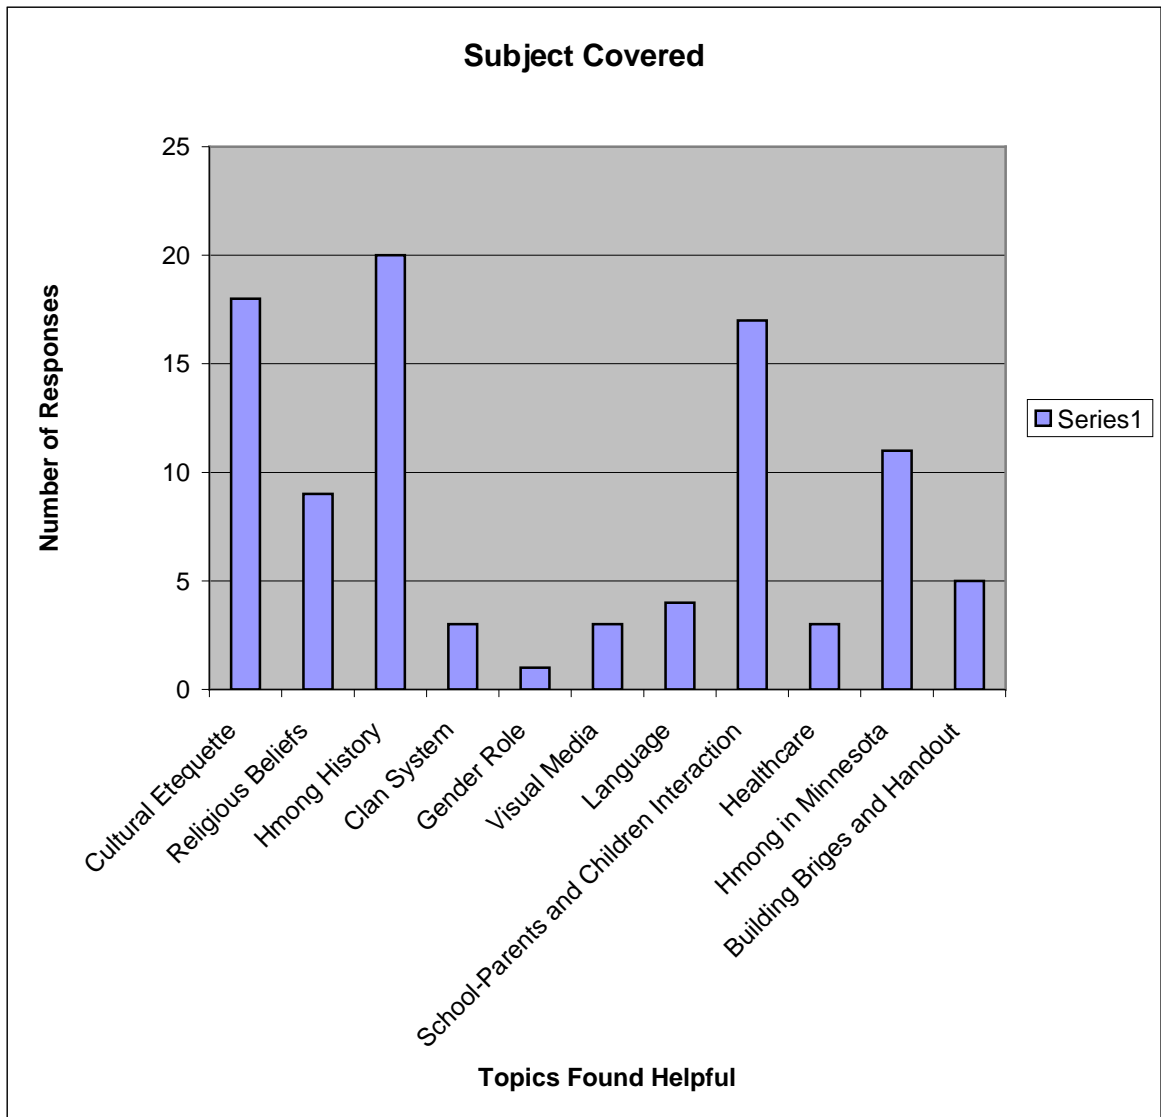

A few of the participants noted that they are Chemical Dependency Counselors.

3. How would you rate your satisfaction with the presentation that was provided in terms of educational value? (Please choose one answer only)

4. Please provide below specific examples of Building Bridges program content that you found particularly helpful (i.e. subject topics covered)

A participant noted that he had hard time understanding the presenter so the handout was helpful.

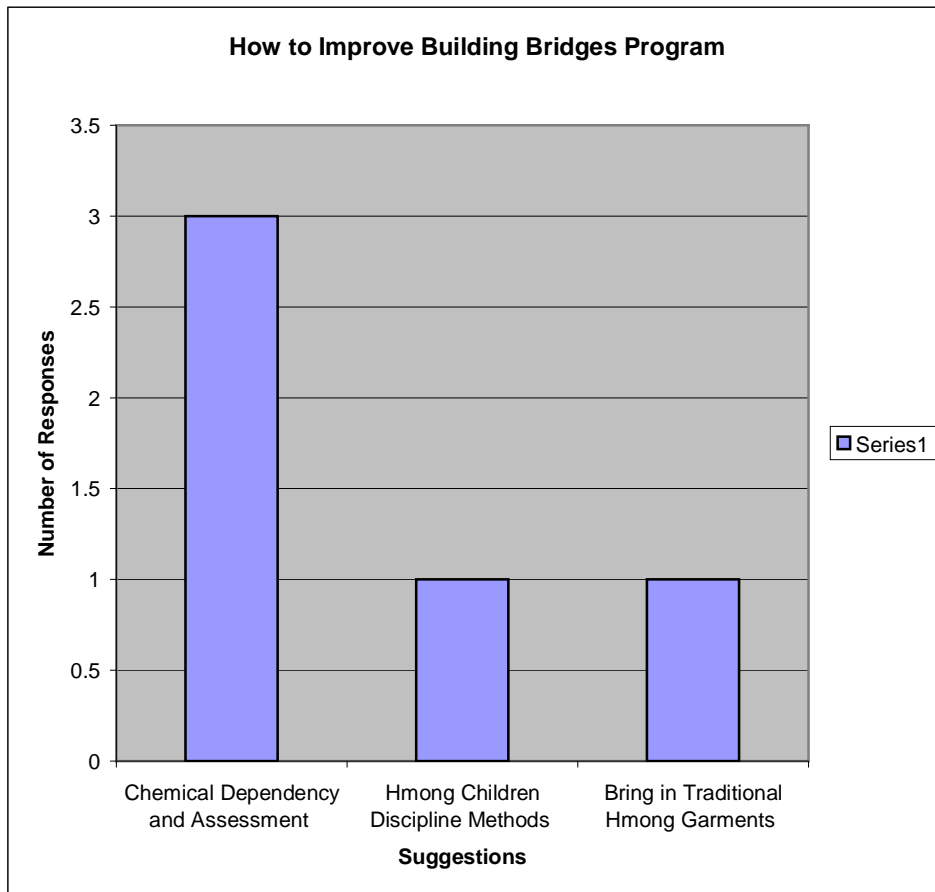

5. Please provide examples below of additional content (subject topics or program aids) that you think the Hmong Cultural Center could add to the building bridges program to make it more worthwhile to your group and others in the future

6. In the space below, please provide any specific suggestions you may have as to how the Hmong Cultural Center could better publicize the availability of its Building Bridges Outreach Program to groups that may potentially be interested?

7. In the space below, please provide any additional suggestions you may have as to how we could improve the Building Bridges program to serve the community.

Several of the participants stated that it was hard to understand what the presenter was saying at times. However, the printed handout was very helpful and made it easier to follow along.
