INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Hmong Cultural Center

I have audited the accompanying financial statements of the Hmong Cultural Center (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Hmong Cultural Center as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**HMONG CULTURAL CENTER
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 1. ORGANIZATION

The Hmong Cultural Center, Inc. (HCC) is a nonprofit organization designed to serve the entire Hmong community in the Twin Cities by playing a leadership role in promoting Hmong culture to all generations. The HCC promotes the personal development of children, youth, and adults through Hmong cultural education while providing resources that enhance cross-cultural understanding between Hmong and Non-Hmong people. The significant accounting policies employed are described below to enhance the usefulness of the financial statements to the reader.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The accompanying financial statements have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Net Assets Classifications

Hmong Cultural Center reports information regarding its financial position and activities according to two classes of net assets:

- Net assets without donor restrictions are not subject to donor-imposed restrictions and represent funds that are fully available, at the discretion of management and the Board of Directors for Hmong Cultural Center to utilize for any of its programs or supporting services.
- Net assets with donor restrictions are comprised of funds that are restricted by donors for specific purposes or time periods

Cash and Cash Equivalents

For purposes of the statements of cash flows, Hmong Cultural Center considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Accounts Receivable

Receivables are recorded at amounts billed and are generally due when billed. Amounts outstanding for more than 30 days are considered delinquent. Accounts receivable are generally uncollateralized and the Organization does not charge interest on accounts receivable balances.

The Organization reviews accounts receivable balances on a periodic basis and writes off delinquent receivable when they are considered uncollectible. The Organization provides an allowance for doubtful accounts based on historical experience and management's evaluation of outstanding accounts receivable at the end of each year.

NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property, Plant and Equipment

All major expenditures for furniture and equipment, are capitalized at cost. Contributed items are recorded at fair market value at date of donation. Depreciation is provided through the use of the straight-line method over the useful life of the asset, ranging from three to ten years. When the Organization commits to the disposal or abandonment of equipment, the assets are written off or down to the net realizable value. The cost of maintenance and repairs is charged to expense as incurred.

Revenue Recognition

Revenues and public support are reported as an increase in unrestricted net assets unless use of the related asset is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are recognized as an increase or a decrease in unrestricted net assets unless their use is restricted by explicit donor stipulations. Expirations of restrictions on net assets are reported as net assets released from restrictions.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Donor restricted contributions, the restriction of which are met in the same year as the contributions is made, are reported as unrestricted contributions.

Government Grants and Contracts

Government grants and contract funds are considered exchange contracts and are recorded as revenue when earned. Revenue is earned when eligible expenditures, as defined in each grant or contract, are made. Funds received but not yet earned are shown as refundable advances. Expenditures under government contracts are subject to review by the granting authority. To the extent, if any, that such a review reduces expenditures allowable under these contracts, Hmong Cultural Center will record such disallowance at the time the final assessment is made.

Donated Material and Services

Contributed services are recorded as contributions, at fair value, when the service creates or enhances non-financial asset or donation. Some unpaid volunteers have made contributions of their time to the Organization's programs. The value of this contributed time is not reflected in these statements since it does not meet the requirements for recognition in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Promises to Give (Pledges Receivable)

Unconditional promises to give are recognized in the period the promises are made. Conditional promises to give are recognized when the conditions on which they depend are substantially met, that is, when the conditional promise becomes unconditional.

Risks and Uncertainties

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and functional expenses.

Functional Expenses

The majority of expenses are directly identified with the program or supporting services to which they relate. Expenses not directly identifiable by function are allocated to program and supporting services on the basis of service and effort or space occupied determined by management.

Tax Exempt Status

Hmong Cultural Center is recognized by the Internal Revenue Services (IRS) as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code (the Code) and, accordingly, is generally not subject to income taxes, except for taxes pertaining to unrelated business income. Hmong Cultural Center is exempt from state taxes under Minnesota Statute 290.05. Therefore, there is no provision for income taxes, and unrelated income subject to tax is considered to be insignificant.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Ultimate results could differ from those estimates.

Concentrations of Risk

Hmong Cultural Center performs within the Twin Cities area. The amounts related to contracts receivable are specifically from local governments and institutions. Hmong Cultural Center also maintains its cash deposits at financial institution where balances, at times, may exceed federally insured limits. Hmong Cultural Center has not experienced any losses in such accounts.

The guidance further prescribes recognition and measurement of tax provisions taken or expected to be taken on a tax return that is not certain to be realized. The application of this standard has no impact on the Organization's financial statements.

The Organization's tax returns are subject to review and examination by federal, state, and local authorities. The tax returns for the years 2018 to 2021 are open to examination by federal, state, and local authorities.
