

Hmong Cultural Center Donor Security Policy

Hmong Cultural Center provides a secure environment for collecting donations and maintains internal controls governing the safekeeping of all confidential donor financial and personal information.

Hmong Cultural Center maintains donor information (name, address, e-mail address) on a password protected computer in a secure office environment.

Hmong Cultural Center does not collect credit card information from any of its donors.

Hmong Cultural Center utilizes, a third party, GiveMN for all online donations. According to its website, GiveMN currently uses Kimbia to process all credit card transactions. According to GiveMN, Kimbia is PCI-Level certified which is the highest available standard for credit card information security and privacy in the payment processing industry.

Policy Approved by Board of Directors: 6.06.18
